SKILLS

- ◆ Frontend Development
- ◆ HTML
- ◆ CSS & Frameworks like Bootstrap
- ◆ JavaScript & Library Gsap
- ◆ Database MySQL
- ◆ Office Automation
- ◆ Strong Communication
- ◆ Team Collaboration
- ◆ AI Optimization

About Me

I'm a passionate Computer Science graduate with a strong interest in frontend development and modern web technologies.

I enjoy building user-friendly websites with clean design and smooth animations. I also have hands-on experience in office automation and computer operations, making me a well-rounded tech professional. With strong communication skills and a team-first attitude, I'm always ready to contribute and grow in dynamic environments.

Professional Objective

A highly motivated and detail-oriented Computer Science graduate seeking a challenging position in a dynamic organization where I can apply my skills in frontend development, office automation, and team collaboration.

Eager to contribute to innovative projects, grow professionally, and leverage my passion for technology, including AI optimization, to deliver impactful digital solutions.
